

Thank you for your interest in supporting First Act Youth Company

We're expanding! Just three years after starting FAYC, we've outgrown our temporary space at a local church and are thrilled to be moving into a brand new studio. At our new location, we're building a creative space that will enhance the student experience and allow us to offer a greater variety of exciting and unique classes and shows.

Donations in any amount from \$20 - \$1000 will be put to great use in helping us renovate, purchase studio equipment, set up a scholarship program, hire industry professional instructors and continue to offer high quality shows and programs.

It's not all about us...

To express our gratitude for your support in contributing to our continued growth and success, we're happy to offer special 'thank you' perks to all sponsors. These range from an evening of fun at the studio to show tickets and much more. Sponsorship at any level entitles you to an invitation for 2 to our Donor Appreciation Night at our brand new studio. The night will consist of a studio tour, drinks and appetizers, a jazz band as well as entertainment from some of our advanced students. Please see below for an overview of donor levels and associated rewards.
